

Open Meeting
August 25, 2010
9:05 am - 9:15 am

Persons Attending:

Commission Staff:

Sherrie Hayashi, Commissioner
Alan Hennebold, Deputy Commissioner
Sara Danielson, Admin. Asst.
Pete Hackford, Boiler & Elevator Safety Director
Bill Adams, UOSH Operations Manager
Rick Sturm, Boiler & Elevator Safety
Eldon Tryon, UOSH Compliance Manager
Ami Windham, Boiler & Elevator Safety Business Analyst
Will Barlow, Legal Counsel

Others Attending:

Rick Dalton, FM Global

Commissioner Hayashi called the meeting to order at 9:05 am.

Item 1. Right of Entry – Rule R616-2-8.

Ami Windham explained that due to the new rule being proposed regarding Deputy Inspectors, the language in this rule needed to be clarified. She read the proposed language.

Rick Dalton commented that this will be very helpful for Deputy Inspectors in particular clarifying that the state's right of entry does not apply to Deputy Inspectors. No other public comments were made. The Commission will move forward with this proposed rule.

Item 2. Deputy Inspectors – R616-2-15

Pete Hackford explained that this rule is simply moving a Division Policy that has been enforced for awhile, to an Administrative Rule. He explained that the section regarding Corrective Actions was new. Ami Windham explained that a copy of the proposed rule had been provided to all interested parties. The Division has not received any comments regarding this rule.

The Commission will go forward with this proposed rule.

The dates for publication, further public comment, and making the rules effective were reviewed. Publication – Sept. 15, end of further comment – Oct 15, possible effective date Oct. 22.

Item 3. R614-1-4 Exposure to Hexavalent Chromium

Bill Adams explained that Federal OSHA has decided to revise the notification requirements regarding exposure to Hexavalent Chromium, by means of this direct final rule, to require employers to notify employees of the results of all exposure determinations. The 15 days to notify in writing was not altered. Utah, being a “state plan” state, is adopting these standards.

No public comment was made.

The Commission will go forward with this proposed rule change.

The Meeting adjourned at 9:15 am.
